

Conscious Hub & Online Wellness Village

Consciouskenya.com is Kenya's online community, marketplace and resources hub for holistic wellness.

Our mission is to facilitate ease of access to professionals, therapies, events, workshops, courses, retreats, products and venues that provide nourishment and wellness for body, mind and soul.

Kenya's Holistic Wellness Community

Consciouskenya.com

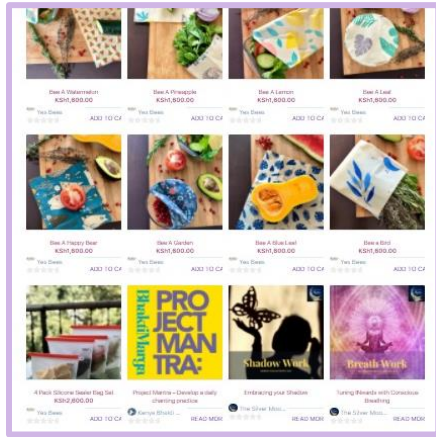

Your One-Stop Shop for Holistic Wellness

We are bringing together enthusiasts, consumers and providers of yoga, nutrition, meditation, mindfulness, holistic therapies, mental health, coaching and other healing modalities in one vibrant community.

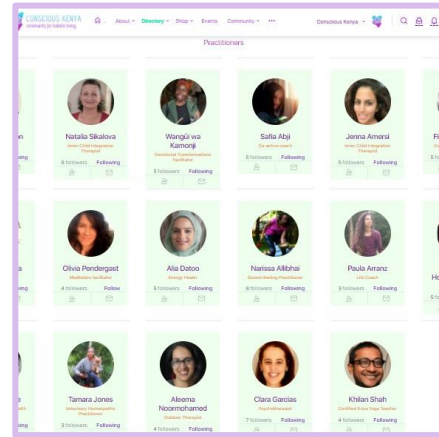

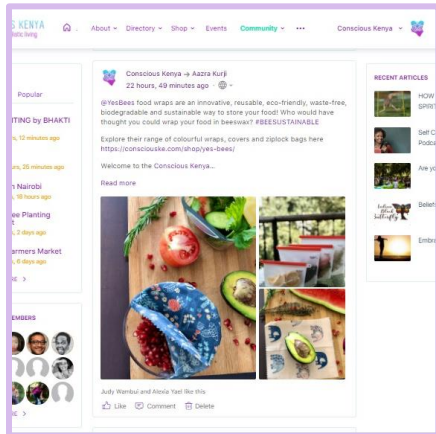

Our platform is designed to increase ease of communication, networking, transaction and collaboration within these communities to help foster both individual and collective harmony and wellbeing.

The Platform

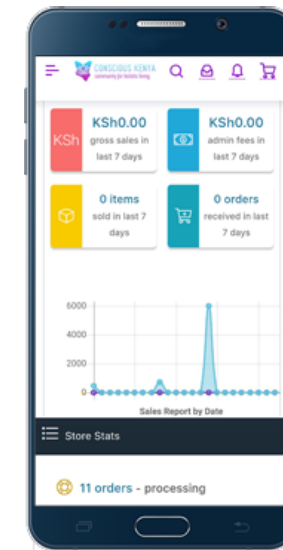

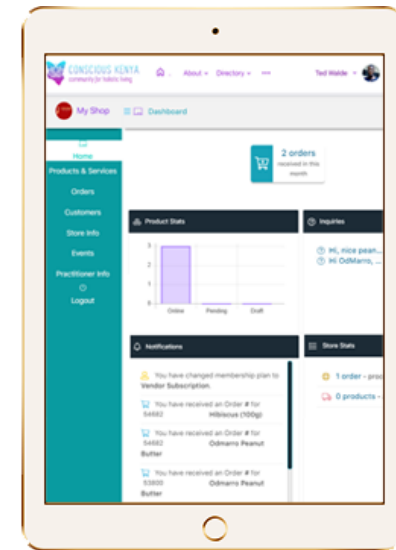

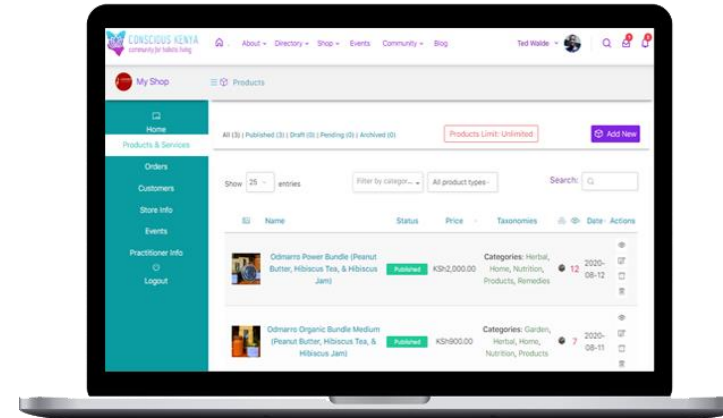

Online marketplace for therapies, courses & products

Practitioners, events, & wellness venues listings

Social network with profiles, messaging, and thematic groups & forums for wellness, sustainable living, self empowerment, etc

Business Dashboard

Manage products, services, events, orders, enquiries, bookings, appointments, reviews, customers & reports across your devices with an easy to use dashboard complete with graphs to monitor activity and performance of your wellness business.
